Big time [international policy analyst Laurent Murawiec](#) has a [Small Dictionary of Middle-East Stereotypes](#) on Metula News Agency.

Alphabetical order *oblige*, the first entry reads:

AFP (the French semi-official news agency): A press agency in charge of the Palestinian Authority's external propaganda. (See also Reuters).

Yeah, in training just like anywhere else, bounding is so important. I just knew I picked [the right outfit for the lesson](#) .

The rest of Murawiec's Dictionary is in the same vein. You might want to keep that for future reference.
